Clean Air Workshop - Saturday 31 January Manchester : 1 - 4.30 pm

This workshop will give you the skills to undertake a 'citizen science' study of air quality/ air pollution in your neighbourhood. Find out how you can check the air quality where you live with easy to use equipment. Is it within the pollution limits?

- **Meet** 1pm for a shared lunch (optional). Bring lunch /food to share. Tea/coffee provided. Workshop at 2pm
- **Venue** Meeting Room A, Green Fish Resource Centre, 46 - 50 Oldham St, Manchester, M4 1LE
